NOTES AND ORDERS.

Both the Genl Records and the Ver. Records have not able to trace out any papers re the supply of guns stated to have been made in 1887.

The present guard establishment is reported to consist of one Havildar at Rs 6-8-0 p.m. and 6 sepoys at Rs 5/- each p.m, the total cost being Rs 36-8-0. The proposed establishment consists of one Havildar on Rs 12/- p.m, one Naik on Rs 9/- p.m, and 7 sepoys on Rs 8/- p.m, the total cost being Rs 77/-, which was the guard sanctd for the Narasinga temple.

[It may, perhaps, be pointed here that while the strength of the guard proposed by the Dy: Amildar is the same as that of Narasinga, & that recommended by the Dy: Comr ~~being~~ the same as that of the Dy: Amildar, there appears to be a mistake in the Dy: Comr's letter in giving details. clear.

The next point for consideration is whether the Military Deptt will be able to spare the required guard for the Melkote Temple. Though a Barr. guard was sanctd for the Vaijanyud Temple, no such guard has till now been sent there, as the Dy: Commandant stated that the Infantry at Mysore was considerably below strength and that the sanctd guard would be furnished as soon as recruits joined the the Regiment. The Dy: Comdt was accordingly informed that pending the arrival of a Sepoy guard, a suitable Police guard might be arranged for in consultation with the S.P. of Police. [vide Letter No. 5(Camp)/Mlty 206-15-3 & 22-10-15].

A police guard costing Rs 77/- p.m. having accordingly been arranged for the Temple, the recovery of the contribution on account of pension and clothing charges of the guard was waived by Govt in their order No. 188-91/Mlty-7. 206-15-6 & 30-7-17.

Under the above circumstances, it is a point for orders whether an enquiry of the Chief Commandant whether the Barr-guard required for the Melkote Temple could be dispensed, is called for.

Sir,

I have the honour to state that the Sub Division Officer, French Rocks reports that of the 7 guns supplied to the Sri Narayana Swami Temple at Melkote in 1887, 2 have become useless and that instead of repairing them, permission may be given to sell them by auction and buy new ones for the use of the Temple. I request therefore that you will be so good as to recommend the supply of 2 good guns from the Military Stores, the cost being met from the funds at the credit of the Temple.

The Military Department may be asked to send in a bill for the amount.

On receipt of the new ones, arrangements will be made to sell the two useless ones and credit the proceeds to Temple funds.

The favour of early orders is solicited.

Sir,

With reference to your letter No. 1831/Muz.74-13-4 dated 22nd January 1917 re the supply of guns to the Sri Narayana-Swami Temple at Melkote, I have the honor to submit herewith correspondence ending with French Rocks Sub Division Officer's yadi No. 514 dated 21st September 1917 and to state that the Deputy Amildar reports that at present there is an establishment consisting of 1 Havildar and 6 Sepoys at a total cost of Rs.36-8-0 per month for guarding the temple etc, and that in place of this establishment a Military guard as in the case of Sri Srikanteswara Swami Temple at Nanjangud may be employed at Melkote also. By this arrangement the cost per month would amount to Rs.77/- as noted in the margin.

The Deputy Amildar further reports that the posts held by the 6 men on the present establishment are not hereditary that they can be provided in the Kamati establishment and subsequently they may be employed in Bhandikar, Kavalgar etc., establishments, whenever vacancies occur and that the extra cost of Rs.40-8-0 may be met from the funds of the temple. The Sub Division Officer recommends that the Barr Guard as

as in Nanjangud Temple may be employed. I am also of the same opinion.

I therefore request that you will be so good as to obtain the sanction of Government for the employment of a Barr Guard to this Temple.

I have the honor to be,

Sir,
